

Sheri Slobin Shea joined KO in January 2013 as Director of Summer Programs after 30 years in the professional tennis-teaching industry. A graduate of the D1 University of North Texas, which she attended on a full tennis scholarship, Sheri has been Tennis Director for the Hartford Golf Club’s Summer Camp, The SummerPlace at the University of Hartford, and most recently, Camp Director for Tumble Brook Country Club’s Golf and Tennis Academy.

“I loved my own summer camp experience – I had loads of fun, made lifelong friends, and improved the most during those summer days on the tennis courts,” she says. “I hope that Camp KO will offer that same experience, and similar memories, to another generation of kids!”
